

We're an organization that wants to provide food and/or toys to 50 or more families this holiday season.

- Call Jennifer Masango at the Salvation Army (503) 640-4311 to sign up and get training on using the Help for Holiday clearinghouse database. The database will allow all users to see who wants to help and who still needs help and help to avoid duplication.
- Sign up your organization with 211 so families who need assistance can get connected with you and know how to register for assistance
- Input the families you've connected with into the clearinghouse database.
- Adhere to the **suggested** standards of 2 gifts per child (~\$20-\$30 a gift) and groceries for the family. (Minimum gift is one gift per child ~ \$25)
